

S.S.S. DRIVES OUT BLOOD HUMORS

The skin is not simply an outer covering of the body, but through its thousands of pores and glands it performs the great and necessary work of regulating our temperatures, and also assists in disposing of the waste matters of the system by the constant evaporation that goes on through these little tubes. To perform these duties the tissues and fibres which connect and surround the pores and glands must be continually nourished by pure blood. When from any cause the circulation becomes infected with impurities and humors, it loses its strengthening powers and begins to disease and irritate the delicate tissues, and produces Eczema, Acne, Tetter, or some other itching, disfiguring skin trouble. S.S.S. cures skin diseases of every kind by going down into the circulation and neutralizing and removing the impurities and humors. It changes the quality of the blood from an acid, fiery fluid to a cooling, health-producing stream, which, instead of irritating and inflaming the skin, cures and nourishes it by its soothing, healthful qualities. Salves, washes, lotions, etc., may be used for any temporary comfort or cleanliness they afford, but skin diseases cannot be cured until S.S.S. has purified the blood. FREE TO YOU—MY SISTER

Free to You and Every Sister Suffering from Woman's Ailments.

I am a woman. I know woman's sufferings. I will mail, free of any charge, my latest treatise with full instructions to any sufferer from woman's ailments. I want to tell all women about this cure—yes, my reader, for yourself, your daughter, your mother, or your sister. I want to tell you how to cure yourself at home without the help of a doctor. Men cannot understand women's sufferings. What we women know from experience, we know better than any doctor. Know that my home treatment is safe and sure cure for Leucorrhoea or White Discharge, Uterine Hemorrhage, or Falling of the Womb, Profuse, Scanty or Painful Periods, Ulcers or Ovarian Tumors, or Growths; also pains in back, head and loins, bearing down feeling, nervousness, creeping feeling up the spine, melancholy, desire to cry, hot flashes, weariness, dizziness, and bladder troubles where caused by weaknesses peculiar to our sex.

I want to send you a complete ten day's treatment entirely free to prove to you that you can cure yourself at home, easily, quickly and surely. Remember, that it will cost you nothing to give the treatment a complete trial; and if you wish to continue, it will cost you only about 15 cents a week, or less than two cents a day. It will not interfere with your work or occupation. Just send me your name and address, tell me how you suffer, if you wish, and I will send you the treatment for your case, entirely free in plain wrapper, by return mail. I will also send you free of cost, my book, "WOMAN'S OWN MEDICAL ADVISER" with explanatory illustrations showing why women suffer, and how they can easily cure themselves. "You must have an operation," you can decide for yourself. Thousands of women have cured themselves with my home remedy. It cures all old or young. To Sisters of England, I will explain a faithful or irregular menstruation in young Ladies, Pimples and health ailments result from the use.

Wherever you live, I can refer you to ladies of your own locality who know and will gladly tell any sufferer that this home treatment really cures all women's diseases, and makes women well, strong, plump and robust. Just send me your address, and the free ten day's treatment is yours, also the book, "WOMAN'S OWN MEDICAL ADVISER," as you may not see this offer again. Address MRS. M. SUMMERS, Box H - Notre Dame, Ind., U.S.A.

SMITH MAKES FINE SPEECH

On Republican Principles at a Meeting at Shinnston.

John Hooper Smith, of Clarksburg, made an excellent address on the Principles of the Republican Party and their relationship to the Colored Citizens, before a very appreciative audience at Shinnston, Thursday evening, October 29th. The True Blue Colored Republican Club.

With earnest dignity Mr. Smith cautioned the colored people against any wrongful action that would hurt their cause before the white people, who stood for fair play, some of whom were even in the Democratic Party. Concluding, Mr. Smith advised "The use of the ballot, the silent weapon of our defence, which while it does not make the noise of the bass drum in the street parade, yet when there are enough of them, they lay so heavily on our opponents chest and gives him the political indigestion."

The eyes of the state are on us both our friends as well as our enemies are watching us, and the manner in which the ballot is used by the negro in the election, means either his political salvation or his destruction. We should go to the ballot box, vote a straight Republican ticket, and then having done all that we could do, go quietly to our homes, just as any people would do who had laid the remains of the departed dead down in the grave.

Showing to the people of West Virginia that negro manhood has in it as much of truth and honor as any other manhood and that we should not be judged as a race by the undesirable who thrust themselves obnoxiously before the public gaze. The chairman then introduced Mr. Hatcher, of Clarksburg, who made a short but earnest talk.

FOUND DOORS OPEN.

Merchant Policeman G. A. Waldo states that he found the front doors of the Leader store slightly ajar at a late hour Thursday night, and while he stood guard he sent a messenger to the proprietors to inform them. The doors were then locked and Waldo continued his rounds.

AN X UNDER THE EAGLE IS ALL ANY REPUBLICAN NEEDS TO DO TO VOTE THIS YEAR.
